Special Thanks!

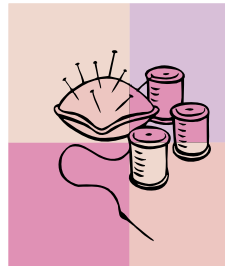

We at Jewels Fabric want to give everyone who visited us during the grand opening special thanks for supporting us. We had an excellent turnout and a really fun time meeting new quilters from out of town. Several of our local quilt guilds came by to show their support, and we really appreciate that. Once again, thanks for giving us the chance to show our fabric and capabilities of quilting; hopefully everyone had as much fun as we did!

In this quarter we are expecting some new fabric. In April the Critter Carnival collection by South Seas will arrive. This special collection for children features adorable little animal prints, balloons, streamers, and stars. We also have Mark Twain and 30's fabric from RJR. Freshly ordered Henry Glass 108 fabric, Red Rooster and Kaufman for Christmas are all scheduled to arrive in August. We have also added more notions, rulers, cutting mats, templates, scissors, etc., as well as books. Keep a watch on the website's online store for other new additions.

Block of the Month

We had a great start to our first annual Mystery Block of the Month. Everyone's first block was picked up on March 1st, and all participants received a discount of 20% off templates in the store. This was only the first of many benefits that BOM members will receive in the next twelve months. Don't forget to get your finishing kit ordered while supplies last. The last day for ordering is May 15th. The next BOM pickup is April 5th between 8-10 a.m. Be sure and bring your finished block with you to get your next month's block free.

Upcoming Events

We hope our participants are getting excited about our first Quilt retreat on May 1st. We sure are! The sign up will close on April 1st. If you haven't yet seen the quilts we will be making, you can get a glimpse at www.quiltsrjewels.com. There will be many special surprises in store, and we can't wait to see you there. If you can't make the retreat in May, hopefully you can make the next one planned for either the end of September or the beginning of October. More details to come.

CHRISTMAS IN AUGUST! With the weather really heating up in August, everyone will be getting in the mood for some cooler temperatures. With that in mind, we decided that we should start the Christmas celebration early this year. It's never too early to start shopping for those special quilters in your life. On August 23rd come by and join us for an afternoon of fun, games, prizes, sales, refreshments, and more. The fun starts at 10am and will end at 2pm. We will have door prizes, and the games will start at 11am. Bring **one** small gift related to quilting that is between five and ten dollars to play the games. If you bring a gift, you will leave with one. You do not have to play the games to enjoy the awesome savings in the store. For more information call or email Jewell at 270-298-3507 or jdfortener@quiltsrjewels.com.
