Fabric and Fun in 2008

We are in the process of planning a quilt retreat in May. Sign up by February 16th for a weekend of sewing and memories. Contact Jewell for additional information.

Join The Yardage Club!! When you sign up for the yardage club, you will receive benefits when you buy fabric. The more you buy the more you save.

Ask about my new pattern "Fun and Done", it's really neat.

Love Quilting but find that sometimes it's just too expensive? Now, there is a solution to your problem. When you sign up for the block of the month you can make a quilt for only \$5. See Jewel for more information. Sign up ends February 1st.

We will be receiving new additional software for the Statler Stitcher for even more custom additions! The sky's no limit now!! We also carry 108 and 90 wide backing.

Remember to join and support your local guild. It's a great way to meet new people who love quilting as much as you do.
