your local
quilt guilds!*

Retreat News:

On May 1st we started our very first retreat. We started things off with a bang by playing games, getting to know one another and snacking on treats at Jewels Fabric. Once everyone got their kits and headed to the hillside, we started the really fun stuff, sewing. Brenda Asmus our teacher for the weekend was excellent and everyone learned a lot. The retreat ended May 3rd and we had two quilts to show for it, the log cabin and kaleidoscope. Overall this was a great way to start our annual retreats and we can't wait to see you next year when we do another one!

Another new civil war collection has just arrived. This one is called the Charleston IV, which is a mix of pinks and browns. To go with this collection we have a beautiful civil war pattern called "Stars Over Fort Sumter". Kits from this collection are already available in the store and online. New Christmas fabric will be arriving soon. The expected arrival date is at the end of July, which will be just in time for our Christmas in August celebration.

Block of the Month

As everyone is settling into the block of the month program, now is a good time to give an update of some things we have learned. For those who have made their own templates, all of the copy issues have been worked out. Just remember that you need to use the same ones every time for your blocks to be consistent. If started out making your own templates and then switched to the store bought ones you may need to remake your first blocks. See Jewell if you have any questions. Other than that minor hiccup everything seems to be going smoothly, not bad for our first ever block of the month. If you missed out on our B.O.M. this year, don't worry, we will be starting a new B.O.M. in December. This will be different from the one that we are now doing so our current members can also sign up. There will be more information available in our next issue.

Upcoming Events

CHRISTMAS IN AUGUST! It's almost time for that early Christmas celebration. Remember to bring a gift between 5-10 dollars to play our game that starts at 11a.m. If you don't want to play, stop by anyway for treats, prizes and great sales from 10am-2pm. We are offering a class on Christmas table cloths or place mats, signup ends Aug. 15th, call for more details. The new Christmas fabric collection will be in so you can get started on those Christmas quilts. Nothing looks better under a Christmas tree than a homemade quilt.

Great News! We now have a new program for the Statler Stitcher, and it is awesome. We went for training on this program June 7th and have learned a lot. One of the great new features is the ability to go around applicae. Now all your hard work will really stand out. This new program has so much to offer, see Jewell for more details, new patterns, and pricing.

We are always striving to improve our store and in doing that, we need your help. If there is anything that you would like to see in Notions or different fabric that you would like, please let us know. Market is getting close and your thoughts on this matter are greatly appreciated!

Special thanks to our international customers! Currently you will need to email your orders to us, as our website is not set up to charge shipping out of the country. We appreciate your orders and your patience with us.

We will be a vendor at the Runaway Quilters Retreat Sept. 23rd-26th. Hope to see you there!
