

On Saturday morning, May 16th, we got together for a continental breakfast and all brought their 2008 Block of the Month projects. Drawings for prizes were given for the projects completed and projects not completed. Our winner for the finished project showed off her 30's sampler quilt, her prize from the drawing was a project box for next year's BOM. Our winner for the unfinished projects was a sewing basket complete with thread, needles, pins, and a tape measure. This year we had one make her 1st quilt with our BOM and is in the process of hand quilting it. Our BOM people had their choice of their quilt, either in 30's or civil war fabric. We look forward to starting our next BOM in January. If you're interested in joining us contact Jessica or Jewell for the sign-up. Enjoy the photos of the quilts and happy quilters who made them.
